DELTA DENTAL®

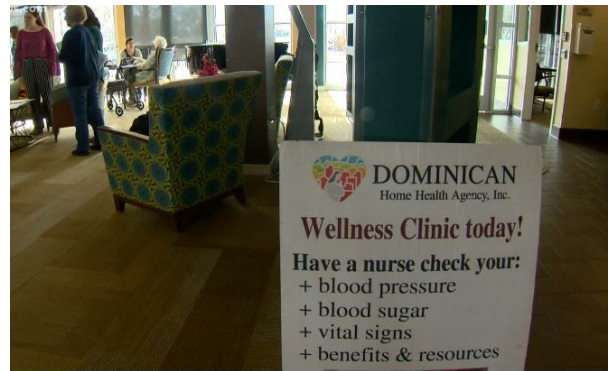

DELTA DENTAL OF COLORADO FOUNDATION

DHHA received \$45,000 from The Delta Dental of Colorado Foundation to address the oral health needs of our patients. As a result of this grant award, DHHA was recently featured on both CBS4 News and 9News.

With the new funding, DHHA will conduct oral health screenings with 500 patients, identify those who have unmet oral health needs, and provide education and referrals to local resources to address those needs. We are grateful to Delta Dental of Colorado and are continually grateful for all of your support!
